### **What is I CAN's Chatterbox Challenge?**

I CAN's Chatterbox Challenge is an annual fundraising activity for nurseries, children's groups and childminders. Children aged 0-5 have fantastic fun and develop their communication skills by singing songs and rhymes to raise money for children who struggle with their speech and language. All the fun and educational activities are provided in the FREE fundraising pack, which you will receive when you register.

### **Who is it for?**

The Chatterbox Challenge is aimed for children aged 0-5, with thousands of nursery's, playgroups and childminding groups taking part every year.

### **What is the theme for 2012?**

With Summer 2012 being a special and action-packed year, the 2012 theme will be Kids in Motion with songs and activities focusing on lots of fun actions and movements, which help develop your children's communication skills and learn the words through movements. The best thing about action based songs and rhymes is that even very young children who don't know the words can join in.

### **When does it take place?**

Most people will be holding their Chatterbox Challenge between 1 and 7 February 2012, but if that week is not convenient for you then feel free to hold yours when you like.

### **How do I get involved?**
