At Meath special school, we work with children aged 5 to 11 to recognise these needs and provide therapy and education to meet them. Our multi-disciplinary teams aim to give them the same opportunities as other children, and turn their frustration to confidence.

I CAN's Meath School in Ottershaw are looking for Learning Support Assistants to work in our outstanding school. You will provide much needed classroom, teaching support and/ or 1:1 support. You will assist in all educational activities involving communication, curriculum, social skills, and behaviour management. You will also make valuable contributions to planning, and to the assessment of pupil progress.

This is a role that requires the ability to communicate effectively with children and families as well as your colleagues. You will already have experience of working with primary pupils in a school setting, with experience of SEN. You'll also need basic literacy, numeracy and ICT skills.
